

GPA Energy Sense

For some time now, Condominiums were excluded from the GPA energy sense program. Some changes have been made. Now it is possible to apply for the energy sense rebate for qualifying appliances and equipment. The process from GPA is the same, but it requires a letter of authorization from Oka Towers for you to claim the rebate under the Oka Towers master meter. Please email or stop by the office us to let us know if you need a letter, and we will provide you one withing a day or so.
